

MELISSA HARVEY TO PRESENT AT ICSC ON NON-RETAIL DEVELOPMENT IN SHOPPING CENTERS

Press Release

08, October 2025

Melissa Harvey will be a featured speaker at the International Council of Shopping Centers (ICSC) conference. She will co-present with Bruce Ritter of Clark Hill PC, New York, in a session titled *"Non-Retail Development in a Shopping Center: What Doesn't Fit in This Picture (or Does It?)."*

As shopping centers continue to evolve beyond traditional retail, this program will explore the practical and legal considerations involved in integrating new uses—such as office, hotel, and residential—into existing retail environments. Melissa will share her perspective on navigating these mixed-use challenges, drawing on her extensive experience advising clients in complex real estate development and leasing matters.
