Bartko Pavia recently opened its San Francisco office to the Pitzer College community for an intimate alumni reception as part of the College's Engagement Tour. The gathering brought together Pitzer alumni for an evening of networking, conversation, and reconnection.

The Engagement Tour's goals focus on deepening relationships with Pitzer alumni, families, students, and friends, and collaboratively shaping the future of the community.

Pitzer College's President offered warm welcome remarks. The event was hosted by CEO and Co-Managing Partner [An Nguyen Ruda](#), who deepens Bartko Pavia's commitment to the College through her service as a member of the [Pitzer College Board of Trustees](#).

It was a pleasure to bring this community together.
