

# STEVE VIEUX AUTHORS ARTICLE FOR LAW360

## **Publications**

19, June 2025

[Steve Vieux](#), Senior Counsel at Bartko Pavia LLP, authored an article in *Law360*, *State AGs' Focus On Single-Firm Conduct Is Gaining Traction*, examines the growing trend of state attorneys general pursuing enforcement actions against unilateral conduct by dominant firms.

This article explores the implications of this evolving enforcement landscape, drawing on his deep experience in antitrust litigation and regulatory strategy. His insights shed light on how businesses can prepare for heightened scrutiny from state-level regulators amid a shifting antitrust climate.
