About the Rankings

© 2026 BARTKO PAVIA LLP

According to Best Lawyers, the Best Law Firms rankings have followed a consistent research process since 2010. A firm is eligible only if at least one of its lawyers is recognized in the current edition of *The Best Lawyers in America*® in an eligible practice area and jurisdiction.

Rankings draw on four sources:

- Surveys of clients and professional references, covering the firm's experience, responsiveness, understanding of the client's business, cost-effectiveness, civility, and willingness to refer others
- Information supplied by the firm
- Evaluations from lawyers currently recognized by Best Lawyers
- Interviews with managing partners and practice group leaders

These data are combined into an overall score. Firms are then placed in Tier 1, 2, or 3 within a practice area and jurisdiction rather than ranked sequentially. Rankings are specific to a practice area and may be regional or national.
