Sponsored by the Bar Association of San Francisco, Food from the Bar is the legal community's response to child hunger in San Francisco and Marin during the summer months.

Food from the Bar is a month-long, competitive food and fundraising drive intended to inspire a little healthy competition between law firms and help raise critical support for the Food Bank.

Last year, 78 firms from across San Francisco raised \$513,000 and 13,800 pounds of food and completed 700 volunteer shifts.
